BAR HILL RESIDENTS' ASSOCIATION

The Annual General Meeting of the Residents' Association will take place on **Tuesday 15th May** at **7.30pm** in the **Parish Council Office**. Every resident of the village is automatically a member and is entitled to attend the AGM. Elections to a new committee will be high on the agenda, including a new Treasurer to replace Martin Avery, who has decided to retire. This requires only an hour or two's work each week and attending most committee meetings.

The primary functions of the Residents' Association are to publish the Bar Hill News and organise the Village Fete. Martin has also acted as the Distributer of the BHN, which involves delivering copies to individual deliverers. Someone to succeed Martin in this role will be needed also. Although the 2018 Fete had, unfortunately, to be cancelled owing to lack of support, arrangements for the 2019 are now under way. Meetings of the Fete Sub-Committee will take place in July and September with the precise dates in the June BHN. Anyone interested in sharing the workload, please let me know.

For more information, please contact me, Roger Hall (Hon Chairman), on 01954 780304 or roger.hall90@ntlworld.com.

PARISH COUNCIL WEBSITE

This is now available on www.barhillpc.org.uk

Lots of information and minutes of the meetings held. Please contact the Clerk with any questions or suggestions.

Bananas are the world's second most popular fruit after tomatoes. Bananas consistently are the number one complaint of grocery shoppers, who complain if bananas are overripe or freckled. The fact is that freckled bananas have a sugar content of more than 20% compared with 3% in a green banana.

"GET BACK" A GREAT NIGHT OF 50'S & 60'S MUSIC

On **Saturday 16th** June at **7.30pm**, "Get Back", a highly popular 50's + 60's band are coming to **Bar Hill Church**. They have years of experience playing memorable rock 'n' roll songs with their outstanding musicianship and charisma and will have you dancing the night away. This will be their final Gig before retiring, so don't miss this event.

Tickets are £10 each including nibbles and light refreshments. Bring your own drinks (no spirits please!) Tickets obtainable from Sue 01954 780260 or Malcolm 01954 488657 or can be reserved to pay on the door.

HAYLEY SIMMONDS OF BAR HILL WINS BRONZE MEDAL AT COMMONWEALTH GAMES

"I'm extremely proud to be returning from the Commonwealth Games with a bronze medal (in women's time trial cycling). I've worked hard for many years to achieve this and am both happy and relieved that everything went to plan on the day and I was able to execute a good race. Hopefully this is just a stepping stone and there is more to come in the future."

'RETIREMENT' AS A DISTRICT COUNCILLOR

It has been a great pleasure to represent Bar Hill on South Cambridgeshire District Council for the last sixteen years, at first with the late Tom Flanagan and then with Bunty Waters. Boundary revisions, which have meant that the peripheral villages of Dry Drayton, Lolworth and Boxworth will no longer be part of the Bar Hill Ward, have resulted in the representation of Bar Hill being reduced to one member. Accordingly, Bunty will seek re-election on 3rd May, while I will contest the next-door seat of Longstanton. I will, however, continue to play a major role on Bar Hill Parish Council and, if re-elected in May, as chairman of the Residents' Association.

— LETTERS/INFORMATION —

Dear Editor
May I, through the Bar Hill News, express my appreciation of the recent works carried out by the Parish Council on land adjoining No 7 Acorn Avenue? Hopefully the extra playing space reclaimed will be of benefit for all in the local area.
Yours sincerely
Chris Stannard

Dear Editor
Over the years there has been many letters published in the BHN complaining about dog mess in the village and the correspondence in March's edition from an exasperated resident is an example.
Whilst a letter published in the BHN allows your correspondents to purge their respective anger, the reality is that the problem will continue until legislation and funding arrangements are changed. The truth of the matter is that picking up dog mess is particularly unpleasant and nobody, including dog owners really want to do it. The owners who pick up do so a as matter of social and community responsibility. However another section of the dog owning population have no intention of picking up and frankly no amount of pleas in the BHN will alter their behaviour. The Local Authority is ineffective in dealing with the problem. Whilst the Authority no doubt views dog fouling owners as anti-social pests similar to those who drop litter, funds are tight and understandably need to be directed to what is perceived to be greater priorities.
So what is to be done?
In my view legislation should be introduced to register, chip and licence all dogs. Additionally, owners would need to renew their licence annually. The initial registration and chipping fee along with the annual renewal fee would be set at a level to enable sufficient dog wardens to be employed. Regrettably prosecution is the only viable option that dog fouling owners really understand. Utilising today's technology, dog faeces can be matched via the chip to the owners and prosecutions and stiff penalties can follow. Until tougher legislation is forthcoming, letters from your frustrated correspondents will no doubt continue.

Dear Editor
It has now been over two years since Bar Hill had a patient participation group (PPG) for Maple Surgery, in that time several notices have been placed in the Bar Hill news asking for volunteers. I myself have volunteered and would be happy to chair a new meeting, but to date no other volunteers have come forward. The meetings were only once a month and allowed both positive and negative feedback from patients to the surgery, in an effort to improve GP services. Sadly since the last PPG was disbanded there has been no patient representation whatsoever, from time to time to I hear both positive and negative comments about the surgery but without an active PPG these comments rarely make it the surgery.
If you care about your local NHS and GP Surgery then please contact Maple Surgery on 01954 780442 or email maplesurgery.enquiries@nhs.net and ask to join.

2018 Parish Council Elections – there will be no poll for the election of Parish Councillors. There were 10 nominations received for 13 seats making it uncontested. If you have a genuine interest in the future of Bar Hill and can commit the time to make a difference, we are waiting to hear from you.

Village Green Flooding – contractors have been out and a CCTV survey on underground drainage system was carried out on 12 April. The results and recommendations will be considered by the full Council on 19 April

The Council is pleased to see that following clearance of brambles, undergrowth and rubbish from the ditches, water is now flowing through them

Regrettably the planned works for improvements to **Hollytrees Stream** have had to be deferred to the Autumn/next Spring due to water vole activity.

The teqtable will be installed within the next few weeks at the new play area on the village green, Jubilee Park, and the Council is sorting out some final groundworks including some landscaping

Complaints about parking in residential streets – the Parish Council is not responsible for parking issues. It has no powers to put restraints on parking nor any control over parking in the village. You are reminded that if you have concerns please report immediately on the above Police website. http://tinyurl.com/SouthCambs-Parking

Lost Property – a number of bicycles have been cleared up after being dumped in the stream and other locations around the village and remain unclaimed. We also have a number of smaller items, spectacles, walking stick, keys etc that have remained unclaimed for a number of months. As a happy participant in the recently held Holiday@Home, I would like to thank Sue, Trevor and the team of helpers, young and older, not forgetting Charles and Paul, who gave up their time to ensure everyone taking part had a good time. — BAR HILL CRICKET CLUB —

Hopefully the village green will have dried out by the time the Bar Hill News is published and we will be ready to start our season.

Our first adult league match is at home to Bassingbourn on Saturday 5th May and we are also in action in the Cambridge Business Houses (midweek) League later this month – see our May fixtures below.

Youth training sessions started on 18th April and will take place every Wednesday at 6pm. The fees for the season are a one-off of £25, with no weekly fee, and all the boys will be given their own club shirt and white trousers so they can represent the club with pride in the CYCA league.

We will be fielding an Under-13 team in the league against Cambourne, Buntingford and Thriplow. The format is pairs cricket, ensuring all players are given an equal opportunity to bat, bowl and field.

If you'd like to find out more, come along on a Wednesday night and meet our fully qualified and DBS-checked coaching team. Parental help is also encouraged!

Anyone interested in playing for the club in any form of cricket, please contact me on the number below. For more information about the club, visit www.barhillcricket.org.uk.

Helping your hospital to help you – Cambridge University Hospitals NHS Foundation Trust reported that this winter saw more patients than ever before enter the doors of A&E. Waiting times were reaching seven and a half hours. Patients can help the hospital by understanding the circumstances in which they should attend. A&E deals with life-threatening emergencies, such as: • loss of consciousness • acute confused state and fits that are not stopping • persistent, severe chest pain • breathing difficulties • severe bleeding that cannot be stopped • severe allergic reactions • severe burns or scalds •

Less severe injuries can be treated in urgent care centres or minor injuries units (MIUs). Minor injury units can treat problems such as sprains and strains, broken bones, wound infections, minor burns and scalds, minor head injuries, insect and animal bites, minor eye injuries and injuries to the back shoulder and chest.

A&E is not an alternative to a GP appointment. If we are closed, please call 111, which will direct you to the best local service.

Northstowe – as you are aware, we are now welcoming the first residents of Northstowe. We would like to reassure patients that we are equipped and prepared to register Northstowe residents at our practice. We are monitoring our patient numbers closely, and have plans in place to ensure we will continue to meet the clinical needs of our existing patients at Willingham and Longstanton Branch Surgery as the development grows. We always welcome your feedback about your experience at either surgery.

Testing for prostate cancer – we have received a number of enquiries about screening and testing for prostate cancer. A leaflet is available from reception which explains the PSA test. No national screening programme exists in the UK and experts disagree on the reliability of the PSA test. If you wish to have the test, you need to discuss with a GP so they can assess whether it would be suitable for you.

Carers Support Meetings – next meetings at Willingham Surgery: Wednesdays 2nd May, 6th June and 4th July at 2pm. If you are a carer, please pop along and get some support from other people in the local community. Refreshments provided, no need to pre-book and completely FREE! Please contact Sue Lawson at the surgery for more information.

Cambridgeshire Hearing Clinics 2018 – next Hearing Aid Clinics at Willingham Surgery: Wednesdays 16th May, 20th June and 18th July. No appointment necessary, just pop along for your free NHS hearing aid batteries and for help and advice regarding hearing loss.

NOT SURE – DON'T OPEN THE DOOR

Although many people who call at your home will be genuine there are incidents when people pretend to be from a water company or another organisation, just so they can enter your home under false pretences and steal money or valuables.

Often termed 'bogus callers' perpetrators are highly organised, work alone or in pairs, and operate under a number of guises such as utility company staff (water, gas, electricity, etc), builders and gardeners, door to door sales people, and even council staff or police officers.

Somebody at the door?

Ask yourself

- Am I expecting anyone?
- Are my doors and windows secure

Always check back doors and windows are secure and locked, before you go to answer the front door.

Ask them

- What are you here for?
- Can I see your I.D. please?
- Do you have any paperwork relating to your call?

Always use a spy hole or look through a side window to check who is there.

Chain

If you decide to open the door, put your door-chain or door-bar on first and keep it on while you talk to the person on the doorstep.

In cases where an offender failed to gain entry to a potential victim's home, this was due to the occupant using their door-chain / spy-hole or quickly shutting the door.

Not sure?

- Ring the company they claim to be from independently. Never ring the number they give you, look it up in the phonebook or ring directory enquiries.
- You can ask them to wait outside while you contact a friend or neighbour to join you and supervise the visit.
- If you are not sure they are legitimate or feel suspicious, don't let them in, and call the police.

Protect your home

- Never leave a door or window insecure because you are expecting a friend or carer to arrive.
- If you have a shared entrance never buzz open the door for strangers or hold the door open for someone who arrives as you leave the building.

Legitimate callers

Genuine callers will carry ID and relevant paperwork. Most will wait patiently and be willing to answer any questions about their visit. It is good practice among many organisations to call ahead and make an appointment beforehand rather than turn up on your doorstep unannounced.

When to call the Police

- If you are suspicious or feel that the caller may be bogus.
- If someone forces entry or enters your home without permission.
- You notice valuables or money missing shortly after someone has visited.
- Whenever you think a crime has been, or is about to be committed.

Kind Regards

Histon Neighbourhood Team

— SPEEDWATCH —

South Cambs has active and very enthusiastic Speedwatch groups and would welcome new volunteers to help them run more sessions.

The Community Speedwatch scheme trains volunteers from members of the community to get actively involved in monitoring the speed of vehicles travelling through their neighbourhood.

Volunteers are trained to use speed indicator devices which display vehicle speeds. The registered owner of any vehicle seen exceeding the speed limit is sent an advisory letter by the Constabulary, explaining that speeding is unacceptable to the local community and asking them to be more considerate.

Volunteers typically offer 1 to 2 hours a month helping to reduce the speed of vehicles driving through their neighbourhood. There is no expected time commitment, volunteers attend sessions when they like, and it's a great opportunity to meet new people, and enjoy the activity whilst benefiting your community.

Volunteers are fully trained and insured by the Constabulary. Training sessions will be held on Saturdays 12th May, 9th June and 14th July starting at 10.00am in Cambourne Police Station. If you would like to attend please book a space via e-mail.

If you would like more information please contact speedwatch@cambs.pnn.police.uk

SWAFFHAM BULBECK THEATRE

Swaffham Bulbeck Summer Theatre is proud to present a double bill of entertainment in 2018 – Gilbert & Sullivan's enduring operetta **'H.M.S. Pinafore'** together with **'Cox and Box'**, a one-act comic opera with libretto by F. C. Burnand and music by Sir Arthur Sullivan. This was Sullivan's first successful comic opera.

As in previous years the productions will be staged in the wonderful 'Theatre in a Barn', Downing Farm, Swaffham Bulbeck, Cambridge CB25 0NW; dates as follows:

- Wednesday 13th June 2018 at 7.30pm–£8
- Thursday 14th June 2018 at 7.30pm–£9
- Friday 15th June 2018 at 7.30pm–£10
- Saturday 16th June 2018 at 2.30pm–£7 and 7.30pm–£10.

Tickets are available via our website, www.sbsummertheatre.com or by e-mailing sbst.tickets@gmail.com or telephoning 07541 554845. For further information about the show please contact Ruth Dennis on 01638 730659.

Gilbert and Sullivan's 'H.M.S. Pinafore' will be set in 1918, to mark the centenary of the end of the Great War. Sailors and Wrens keep H.M.S. Pinafore ship-shape while their Captain seeks to marry his daughter Josephine to the ruler of the King's Navy. She would rather marry the common sailor of her dreams. In true G&S fashion no one is quite who they seem but in the end all are happy with their lot.

'Cox and Box' is pure Victorian farce/melodrama, telling the tale of two gentlemen who both rent what turns out to be the same room from Mr. Bouncer, an ex-military man. One sleeps during the day, the other at night, but they occasionally meet on the stairs. All goes wrong when one of them is forced to take a holiday! This delightful short piece ends with the discovery that Cox and Box are long-lost brothers.

— HEIDI ALLEN MP —

Apparently Spring is here, so I hope you have been able to enjoy the few days of sunny weather that made an appearance in between the showers!

Last month saw the consultation on the proposed closure of Cambridge Magistrates' Court come to an end. The proposal would see non-custodial work transferred to Cambridge County Court and custodial work transferred to either Huntingdon, Peterborough or, in some cases, Cambridge Crown Court.

I have been concerned about the lack of clear information surrounding the number of cases which would remain in Cambridge, how it would be decided which cases would be transferred out of Cambridge, the cost and appropriateness of using Cambridge County Court for Magistrates' Court work, and importantly, how the needs of the most vulnerable court users would be met.

The Ministry of Justice's plans lacked information about exactly what the closure of Cambridge Magistrates' Court might mean for my constituents so I wrote to the Ministry of Justice to seek more detailed information. Sadly, the information received has not diminished my concerns and I feel the consultation has been a missed opportunity to explain the plans with clarity.

These concerns were echoed at a meeting I had last month with our Police Crime Commissioner, Jason Ablewhite so I hope the Ministry will rethink their plans.

If you would like to read my submission to the Ministry of Justice, a copy is on my website – https://www.heidisouthcambs.co.uk/news/update-proposed-closure-cambridge-magistrates-court

The Government has also launched a call for evidence as part of its Cycle and Walking Investment Strategy safety review. The review will look at how road safety can be improved for all road users as well as looking at ways to boost walking and cycling.

Here is South Cambridgeshire, we know the benefits of walking and cycling so this consultation really is welcome. Please do contribute and give the Government the benefit of our local experience! https://www.gov.uk/government/consultations/cycling-and-walking-investment-strategy-cwis-safety-review

On 18th May between 3pm and 5pm, I will be holding a "by appointment" surgery at my Sawston constituency office. If you would like an appointment, please give my office a call on 01223 830087.

Details of all upcoming surgeries can be found on my website – www.heidisouthcambs.co.uk.

— VILLAGE HALL —

01954 782892

Bar Hill Preschool is open 9am–3pm Monday to Friday, term time for children aged 2–5 years. We offer sessions through the Early years funding scheme, funded two's and accept childcare vouchers.

Our ethos is to ensure high quality care by focussing on each child's ability and interests, providing fun and exciting activities that children learn and develop skills through play in a safe and inviting environment.

Our keyperson and buddy system ensures every child is well supported by qualified practitioners who have a wealth of experience. We work in partnership with parents and our online learning journal supports this by providing families with regular information on the child's development and next steps identified, parents can upload evidence from home too and add their own comments.

Our inside area provides views across the village green in a inviting and welcoming atmosphere. Children can access toys and equipment independently. Skills are developed through activities and routines eg children help to prepare snack with safety knives and learn about how to stay healthy. Lunch clubs are a social time and adults sit at tables with children while they eat own packed lunch, encouraging friendships and social skills.

The extended outdoor learning environment provides opportunities from growing fruit and vegetables for our snack bar to exploring the mud kitchen, large sand pit and our sensory garden.

We welcome visitors from the local community that support our curriculum further.

Interested? You can find out more information on our website www.barhillpreschool.co.uk or call us on **01954 782892** to book an informal visit or for an application form.

— COUNTY COUNCILLOR'S REPORT —

Domestic abuse is often hidden behind closed doors but it can be devastating to those suffering its effects. The County Council works with Peterborough City Council in the Cambridgeshire & Peterborough Domestic Abuse and Sexual Violence Partnership and commissions specialist services to support victims. It has recently released two short films in five languages as well as British Sign Language to help people who are experiencing domestic abuse. These films can be viewed on the Cambridgeshire & Peterborough Domestic Abuse and Sexual Violence Partnership's YouTube channel. The Council is working hard to help anyone experiencing abuse to know that help is available if they are fearful of a partner, find themselves 'walking on eggshells' worried about what will happen when a partner returns home or have to cope with having money restricted by their partner. The films provide useful information too for anyone who is worried that a colleague, neighbour, friend or relative may be a victim. There is also information on support for survivors and the friends or family of victims on the partnership's website, www.cambsdasv.org.uk. Cambridge Women's Aid provides outreach support for Cambridge City and South Cambs and can be contacted on **01223 361214**.

The County Council has now appointed a new Service Director for Education. Jonathan Lewis will have a shared role for both Cambridgeshire County Council and Peterborough City Council and his appointment follows the retirement of Keith Grimwade in December. He says he wants to bring schools together and help deliver a clear vision for how standards can be improved. Locally I am sorry to have said farewell to Al Mistrano the Headteacher at Bar Hill Primary School. He has worked tirelessly to overcome funding challenges and provide excellent educational opportunities for local children. I offer my very best wishes and support to Jeanette Quinn who with the Board of Governors will take the school forward as it moves to academy status.

As we come to the end of the municipal year we will have another election! This year it is the turn of South Cambridgeshire District Council's electors to select their representatives for the next four years, both for the District and Parish Councils. My thanks for their hard work go to Councillors of both tiers with whom I have enjoyed working for the past four years. My very best wishes to all those standing. I look forward to supporting those who are successful to provide the very best outcomes possible for our villages in the coming year.

Please do contact me about concerns or questions about any local or strategic issue. If you would like to receive a copy of the full report that I write for the division's parish councils each month, please email me and I will add you to its circulation.

Honest advice with a smile, we go the extra mile!

— SCAM OF THE MONTH —

Warning if you sell online:

Sellers using online marketplace websites are falling victim to bogus buyers. They contact the seller and say they will buy the item, using Paypal or other electronic payment method. The seller then receives a fake, but official looking email stating they have been overpaid and to send the difference back to the buyer's bank account. In reality no money has been sent to the seller. All contact ceases and the seller is left out of pocket.

Protection advice:

- ◊ Always use a trusted online payment method, such as Paypal.
- ◊ Have the confidence to refuse unusual requests for payment by bank transfer.
- ◊ Don't assume an email or phone call is authentic – almost anything can be faked.
- ◊ Always verify you have received payment before completing a sale.
- ◊ Don't be rushed or pressured. Criminals will try and make unusual behaviour, such as overpaying, seem like a genuine mistake.

For more advice about protecting yourself online:

Visit cyberaware.gov.uk

If you have been affected by this, or any other type of fraud, don't be embarrassed – it can happen to anyone. Report it to Action Fraud www.actionfraud.police.uk or 0300 123 2040.

— CHRISTIAN AID WEEK 2018 —

From 13 to 19 May volunteers will be delivering Christian Aid Week envelopes throughout the village. Unlike some charity collectors, they gain no benefit from calling on you. Last May about £2,940 was raised here, a total that compares well with street collections in Cambridge. Please help us to reach an even better total in 2018.

Some people mistakenly think that this collection is for Christians. Instead it is carried out by Christians. It was set up over 60 years ago to support work with European refugees following the Second World War. Nowadays its work extends to disadvantaged people in all continents, funding things we take for granted – such as water supplies and sanitation, education and roads that open up opportunity. It supports people of all religions and none, and it continues to focus on refugees.

To join in the collection, put your contribution in your envelope ready for collection. If you are a tax payer, fill in the Gift Aid declaration to make what you give worth 25% more. Do please greet your collector politely; they will be there to represent those in need and officially recognised as charity collectors.

Residents who display notices banning all cold callers will not be visited. Our collectors are not traders and will call on those who simply banning sellers and buyers.

...did you know... In the 1950s some 80% of chickens in Europe and the US were free-range. By 1980, it was only 1%. Today, about 13% of chickens in the West are free-range.

— NEIGHBOURHOOD WATCH —

My very productive day – at your expense!

Car No.1 – a mobile phone left on the seat. Smash and grab. That was easy! And right outside their house, too.

Car No.2 – jacket on back seat, could be interesting. Smash. Bingo! A wallet in the pocket. Gosh, a tablet underneath as well. Hotel car parks usually produce something.

Car No.3 – that dog walker has left her car empty handed. I wonder... (smash!)... yes, as I thought, handbag under the seat. Hard luck lady!

Car No.4 – people get very lax at beauty spots – an unlocked car! A quick rummage and what do I find? Sat nav and loose change in the glove compartment, golf clubs in the boot. A nice little haul for no effort.

Car No.5 – well, I guess they tried – they put their laptop in the boot before going into the cinema. But I was watching, and they'll be gone a couple of hours. So I'll just wait till there's no-one else around and then... Thanks. Hope you are enjoying the film because you're in for a nasty shock later.

White vans – after such a productive day I think I'll relax and watch TV tonight. No need to target vans for works tools. I'll save that little gold mine for another occasion.

Warning! Thefts from cars continue to occur across the area and it's avoidable. Why tempt the opportunist and virtually give away your valuables? Don't leave anything on display, covered or tucked away. Lock it in the boot (when no-one is looking) or best of all, take it with you.

BAR HILL U14S

We have had a up and down season but the boys are still very much enjoying it, We have improved so much over the season which we are so proud of and with a few very close games we feel the boys have been a bit hard done by, but with two back to back wins things are looking a bit more positive and our last game was an impressive 5-0 win away to Linton which the lads very much enjoyed, we still have five games to play so if we can move up a place or two I think it would have been a fairly successful season for the boys.

Lastly can I say thanks to my team Chris Ben & Kev and also thanks to our sponsors Katana haircutters for men of Milton, New Marque Cars of Longstanton & Grt connect of Waterbeach.

— FRIENDS OF THE ROSIE —

The Friends of the Rosie Hospital are raising money to help make the Rosie a more comfortable environment for mothers and babies. In 2017 we spent £10,783.75 on cool bags for the district midwives. Reclining chairs for tired Dads. A sophisticated teaching mannequin. Money for re-equipping the delivery rooms. Dolls of every ethnicity for the midwives to use for breastfeeding training plus knitted breasts from Rosie in Stitches. These dolls and breasts will be crucial for The Rosie's application for "UNICEF level 3".

The St Ivo Young Entrepreneurs chose The Rosie Hospital as their charity to support. They came third in a school competition and donated £386.16. The Tea Bar raised £2,500 and Rosie in Stitches raised £2,000.

Ann Laskey appealed for more regular volunteers to help in the Tea Bar.

CAMBRIDGESHIRE FIRE AND RESCUE SERVICE

SAFE AND WELL VISITS – HELPING YOU TO STAY INDEPENDENT IN YOUR OWN HOME

Come and play! Cambridgeshire Fire and Rescue Service launches new interactive resource for young people.

CFRS has launched a new interactive online learning site to promote fire and road safety to young people across the county. Developed by Matmi, Sparkton is an online town that children can explore, play games and learn safety tips. From quizzes to spot the hazards, to testing road safety knowledge, there's lots to see and do.

The new initiative has been developed through a collaboration with a number of other fire services in England and Wales, including Cheshire, Leicestershire and Nottingham, where it has already proved popular.

The educational game is targeted at children aged 7–11 in Key Stage Two and can be accessed from home or at school, across all different devices and platforms. It has been designed to help the next generation learn about fire and road safety in safe environment.

Head of Communication for CFRS, Hayley Douglas said: "Keeping people safe from fire and other emergencies is fundamental to everything that we do, and engaging young people is a big part of that. We already work with young people in schools and through our Firebreak courses, so this new online resource is a great addition for us.

"Sparkton is a fun resource that will educate young people on the importance of fire and road safety and how to keep themselves safe now and in the future. It's also a great way for them to learn more about the fire service, and what we do in the community.

"By working with Matmi and in collaboration with a number of other fire services, Sparkton provided excellent value for money and has the potential to develop and make new content."

You can start playing on Sparkton at: http://www.cambsfire.gov.uk/games/sparkton/

Images and a video of Sparkton are available on our Flickr account: http://bit.ly/Flikr_Sparkton

...did you know...

Benjamin Franklin invented flippers for swimming in the year 1717 and was inducted into the international swimming hall of fame for the invention. They were originally wooden swim fins shaped like a lily pad and went on the hands. They were about 10 inches (250mm) long and 6 inches (150mm) wide and helped people to swim faster.
